## 4. GENERAL TERMS & CONDITIONS

Purpose	Provider gives the service and contributes to dealing with Customers tasks.
Reporting	The Customer agrees that the Provider will track working hours and manage task reports of the hired employee. Provider is sending the Hours report by the end of the month and the Customer agrees to provide the employee with 1 day off and 1 sick day per month.
Payment	Customer pays to the Provider based on the rate determined above. In case of bad results, Customer cannot deduct or withhold payments from the Provider or stop the service without any prior email notice to the Provider. "Bad Results" means incompatibility with daily or monthly targets. In the case of the cooperation termination by the Customer the last payment for the services must be done within 3 working days.
Payment Terms	Payment for the whole month should be done one week after the start of the working month but not later than the 10th of the next month. If there are payment delays which were not discussed and confirmed in writing Provider stops the cooperation till the payment is done. Monthly payments mentioned above could be done by bank wire, PayPal or WebMoney. The Customer should cover all wire fees. There is a possibility to negotiate a fee for each half of the year. If the Customer terminates the agreement before the month ends, the Provider shall refund the difference. Provider gives a list of official Ukrainian holidays for the year and these days are further considered as non-working ones.
Cancellation Period	Either party may terminate this agreement via email with a 1 business week notice. The Customer will stop paying after 1 business week following such notice. This Service Agreement is prolonged automatically if any of the Parties don't cancel it up to the end date. The document doesn't need to be resigned again and keeps all the agreements between Provider and Customer.
Non-Circumvention	During the term of this Agreement and for one (1) year after its termination for any reason, both parties agree that they will not do business directly or indirectly with other party's contacts, unless explicitly allowed in writing. Both parties understand and agree that this prohibition is a key consideration and inducement for other parties to enter into this agreement. Customer orders a service and has no right to rehire Provider's team members directly to his company. If any of the parties violates a Non-Circumvention contract clause then the violator is obliged to pay a fine of 5000 EUR.

**Other terms**

If the Customer delays the payment for more than a week after the due period, and this was not discussed with the Provider beforehand, the Provider can stop the work on the Customer's tasks. If the payment is delayed for two weeks the Provider will stop any relationships with the Customer.
